二、动物(龙虎包)

海宁皮影戏道具除人物外，尚有多种配剧情、配场景的道具。如动物类，行话称“龙虎包”，内有包括神兽在内的龙凤、麒麟、虎、豹、狮、象、马、牛、羊、猪、鸡、狗、猴、熊、鹤、雀、鱼、虫、龟、蛇、蜈蚣、蜘蛛和怪兽等飞禽走兽。

龙虎包道具制作方法与人物相似，均分段绘制缝接而成，因而在表演时可作奔走、游动、盘旋、飞舞、跳跃等动作，看去活灵活现。在传统皮影戏中，动物均作像形图案方式绘制，不求酷似只求神似，采用民间剪纸手法，兽身绘有彩色花饰。且多夸张，与人物大小比率往往失调，大兽变小，小鸟变大。

Animal
(Dragon and Tiger Package)

Except for characters, there are many other properties in Haining shadow play to coordinate with the plot and scenario, such as animals, which is called Dragon and Tiger Package.
The package including some fairy animals such as dragon, phoenix, unicorn, tiger, leopard, lion, elephant, horse, cattle, sheep, pig, cock and hen, dog, monkey, bear, crane, sparrow, fish, insect, tortoise, snake, chilopod, spider, and monster and so on.

The production of Dragon and Tiger Package is similar to that of characters. An animal is made by sewing different parts together, so that animal could run, swim, spiral, fly and jump and so on. Those animals are vivid. In traditional shadow play, animals are used to express meaning of the plot only, so it doesn't require an animal be made according to the real one. They are made by paper-cut and the body is painted. The size of animals is not properly made by comparing to characters, for example, monsters are smaller while birds would be bigger, which is felt exaggerated.

三、植物

海宁皮影戏中有各种花卉、树木、景色等道具，行话归类为花景包，内有四季花卉，十二月花神、各式盆景、供石、假山、荷花池、树丛等等。花景包中的道具均为摆设，制作全按照象征图案方式，仿民间剪纸，构图多变，想象特奇，大胆而又合理。花卉为缠枝图形，单株独木，盘绕成趣，最为精美的当属"十二月花神"。据民间传唱，一年十二月均有一种月花，又配以一位历史人物或戏剧、传奇人物作为花神，花神配名花，加之制作精美，十二幅花神图便成了民间艺术精品。在表演才子佳人"私订终身后花园"的游园戏时，易场换景，根据剧中人的唱词内容，次序摆出一幅幅花神图，真是美不胜收。

Plants

Various flowers, trees and sceneries are kind of properties in Haining shadow play, which is called Flower Scenery Package, including flowers, flower goddess of 12 months, dwarf potted plants, arch stones, rockery, lotus pool, and groove and so on. Properties in Flower Scenery Package are for decoration only, which are made by paper-cut based on symbolized patterns. The patterns are varied and fancy. However, the fantasy on patterns is bold and reasonable. Flowers would twine on branches of the plant respectively. The most beautiful flowers are "flower goddess of 12 months". According to a folk story, there is one kind of flower stands for a month. One historical figure or role in drama/opera would be awarded as flower goddess. The 12 flower goddesses are fine creation of folk art. Flower goddess would present in turn according to songs to coordinate with the plot when performing talent and beauty got marry without parents' permission in the garden. This is really beautiful scenery.

各式兵器可用皮片或竹棒、竹片制成，长兵器亦可用皮片制成刀头，扎缝在用竹棒制成的刀柄上。

放置皮影戏场景中室内摆设道具的称廊台包，还因演出时往往以四椅一桌为一堂摆设，故亦称“堂会包”。包中各类道具制作精细、形象逼真，大都参照明式家具绘制，图案简洁华丽，线条古朴高雅。有各类桌、椅、凳、案。桌中又分书桌、供桌、帐桌、酒桌等；案又分龙案、公案、花案、将台等；椅凳又分木雕椅、虎皮椅、绣凳、石凳等。

两包之外，还有较大型的道具如楼、台、亭、阁、龙庭、城门、车、轿、船、山、水、云、坟墓等等，又另置在皮影箱盖内，统称“箱盖里”。

Weapons could be made from skin, bamboo stick or slip. Long weapons are finished by gluing blade (made from skin) on hilt (made from bamboo stick).

The place for keeping properties that used for indoor decoration is called Stage Setting Package. It is called "Conference Package" sometimes because the settings are always including four chairs and one table. The properties are made according to furniture used in Ming Dynasty, which are with simple and beautiful pattern, unsophisticated and elegant lines. The fine execution on properties makes them vivid. Normally properties include various desks, chairs, benches, and tables. Desks include reading desk, altar, accounts desk, and dinning table and so on. Tables include dragon table, business table, painted table and table for generals and so on. Chairs include woodcarving chair, chair made from tiger skin, embroidered bench, and stone bench and so on.

Besides two packages I mentioned before, there are some larger properties, such as building, balcony, pavilion, cabinet, front courtyard, city gate, vehicle, palankeen, boat, mountain, water, cloud, grave and so on. These are put in another case called "Covered Case".

Classic Opera Photos Collection

There are original operas and clutter operas in Haining shadow play. In original opera, audience could enjoy a complete story, which is well organized with recitative and songs. The plots in original opera are vivid and complete with happy ending. While clutter operas are mostly martial opera highlights, whose plots are cut out from history novels and formed a clutter opera. Normally there are rarely arias and catalogues in it. In clutter opera, audience mainly admire on fighting, so the plots are linked tightly with furious actions.
