Shadow Play Activity

Haining shadow play was introduced from Lin'an since South Song Dynasty. From then on, there were opera performances in towns and villages. Performances focused on capital town Yan Guan and spread to Xie Qiao, Guo Dian, Zhou Wang Temple, Chang'an Town and Lu Zhong. Performances also covered other cities around Haining, such as Tongxiang, Yukeng, Haiyan, Jiashan and so on. Shadow play activities sometimes were very active. The most prosperous period in modern times for shadow play was the period from end of Qing Dynasty to beginning of the REPUBLIC OF CHINA.

Performers in Haining Shadow Play are farmers, who are trained on their spare time. They would perform when there is a need and go back to village afterwards. The play is named after occasion, for example, "House Heating Play" for weddings, "Full Year Play" for kids' birthday, "Silkworm Flower Play" for begging harvest in silkworm. Besides, there are many other categories for shadow play, such as "family play" and "goddess play" and so on. The hottest time for shadow play is during Spring Festival to Qingming Festival. Performances are on for 24 hours. There is a poem written by Cha Zhichang, villager in Qing Dynasty, said: shadow plays are on to celebrate new year, with continuous drum beating in various villages all over the night. In the shadow play, it tells a story about some talents in Chnag'an in Yiyang tone. This poem describes the prosperity of shadow play in villages best.

海宁皮影班艺人历来均为农人，搭班进行业余演出，有戏演戏，无戏种田。所演戏种以场合为名，如为成婚喜事演出称"暖房戏"，为小儿生日演出称"周岁戏"，为祈求蚕茧丰收演出称为"蚕花戏"，尚有"家堂戏"、"神戏"等多种名称。演出时间为春节至清明节农闲时最盛，不分昼夜。清时邑人查岐昌曾有"新年影戏聚星缸，金鼓村村闹夜窗；艳说长安佳弟子，熏衣高唱弋阳腔"一诗，描述乡村演皮影戏之盛。

一、制作原料

皮影戏人物道具制作，南宋吴自牧《梦梁录》一书中有载："更有影戏者，元汴京初以素纸雕簇。自后人巧工精，以羊皮雕形，用以彩色妆饰，不至损坏。"海宁皮影道具向以羊皮造型，至近期改用牛皮。

具体制作过程分为起稿、选皮、过稿、剪形、清洗、勾墨、上色、上油、缝接、缝翎管、装竹签等11道工序，方始成形。海宁皮影戏人物道具明显地保留了南宋风格：一是重彩绘，少雕镂，单线平涂；二是少夸张，重图案，多似人之处。绘制成的人物道具既能在影幕上操作表演，又是一件件精美的工艺品。

A property is made after 11 procedures. Obviously, character properties in Haining shadow play adopted South Song Dynasty style. Firstly, they focus more on coloring rather than chasing. They adopt flat painting on single lines. Secondly, they focus more on pattern rather than exaggeration. Puppets look like real human more. Character properties are not only applicable on the platform, but also fine handicrafts.
